

Homeopathic Labour & Postpartum Workshop

Please join Dawn Calvinisti—Doula/Homeopath and Lisa Decandia—Homeopath for two in-depth workshops that will guide and expand your homeopathic practice to expectant families. These workshops will help you distinguish what is normal during labour, delivery and postpartum while focusing on those areas that can most benefit from homeopathic prescribing.

Day #1:

Saturday, March 24/12
9:30am—5:30pm

Homeopathic Support During Pregnancy:

- Nausea, heartburn
- Emotional support—maternal stress
- Constipation/Varicose Veins

Labour, Delivery and Immediate Postpartum:

- Signs of labour
- What a woman may experience
- What a care giver looks for
- Stages and Phases of labour
- Interventions

Cost

Workshop #1: \$150 + HST

Workshop #2: \$150 + HST

Payment by cash or check only.

Location

Balanced Healthcare Centre
51 Underhill Dr. Unit 4
Toronto, ON
www.balancedhealthcare.ca

Day #2:

Sunday, March 25/12
9:30am—5:30pm

Breastfeeding and Early Months Postpartum:

- Breastfeeding—mother's and baby's issues
- First Weeks Postpartum—mother's and baby's issues
- First Months Postpartum—mother's and baby's issues
- Development/Milestones

Handouts will be provided. CEUs are available to Nupath members for both workshops.
